My dear Mr Mesquera

Please receive

my most sincere thanks for  
the beautiful & interesting  
being you had the kindness to  
leave for me yesterday. Regret  
so much not being able to thank  
you de vive vive, but the cold  
weather prevents my going as far  
as the Rue Richelieu as he  
assured I could have done myself  
the pleasure of seeing you &  
my dear Madame Mesquera before  
your departure for London
