Dear Sir,

We have to thank you for your esteemed favor of the 29 Inst: received yesterday forenoon, & on receipt of it we sent you a telegram as per copy annexed. - We need not say we were much disappointed to find that you were only to send us £1000 - more particularly since receiving our letters by the West India mail from your Government, in which they inform us distinctly that remittances have been sent forward to you to pay off the whole of the balance due to us for the S.S. Colombia - Under the circumstances, therefore, we would be glad to have your explanations on the subject, & kindly do so, in Code, as we must write by the St Nazaire mail, fully to the Government

My dear Sir,

I cannot help expressing to you how much we are disappointed at receiving your note of the 30 Dec. announcing that you propose to send us £1000. !!

We cannot understand this, as the Government at Bogota advise us, & the mail just arrived, that now you have received funds Enough to pay all the Balance due to us for the "Colombia". —

Pray, therefore, send us at least £5,000 — as we have been calculating upon receiving, by the present mail, fully £10000 —; & we

The death of M. Robinson requires us to

rely upon your remitting us, &
saving us from inconveniences. —

Mui estimado Señor:

La nota que con fecha de ayer Va me hizo el honor de dirijirme, ha venido debidamente a mi poder.

No habia escrito a Va antes, informandole de lo que ha tenido lugar con referencia al empréstito, pues aun nada se ha hecho definitivamente.

Los Señores Robinson & Fleming, con quienes he estado en comunicacion dia por dia desde mi llegada a esta, están ansiosos por presentar dicho empréstito en la Bolsa a la mayor brevedad posible; los preparativos están tan adelantados que ahora acabo de ver la prueba del prospecto, y dichos Señores me aseguran que solo aguardan la oportunidad favorable para emitirlo al público.

Por lo que yo puedo juzgar, creo que de un dia para otro debe llegar el momento de efectuarlo, y estando los contratistas tan interesados como están, es seguro que aprovecharan la primera ocacion de hacerlo.

Comunico esto para el conocimiento personal de Va y aprovecho esta oportunidad para renovar la seguridad de la alta consideracion y respeto con que me repito de Va
